

2011 Domestic Partner Values For Deputy Sheriffs

King County

Benefits, Payroll and
Retirement Operations

There is no cost to cover eligible dependents, but when you cover a domestic partner and/or domestic partner children for medical, dental and/or vision coverage, the IRS taxes you on the value of the coverage. This value is added to the salary shown on your paycheck (and W-2 at the end of the year), federal income and Social Security (FICA) taxes are withheld on the higher salary amount, and then the value is subtracted from your salary.

Taxable values for the different combinations of health plans are shown below.
